

McCormick Divers are giving you the opportunity to MAKE MONEY and help the club at the same time!!

West Coast Gold Parties will be at our event each day for at least 2 hours.

What is a Gold Party?

Bring anything made of gold:

yellow, white, rose,
dental gold, class rings,
chains, charms, coins
gold watches,

gold or silver bars,
silver tea sets,
sterling flatware etc.

It can be old, worn out,
broken or just plain
ugly!

An experienced Gold Appraiser will be on-site to offer you TOP DOLLAR based on the price of gold on event day! They will remove stones and return them to you. Everything is separated by karat and type, real and plated. Then it is weighed. The price per gram is determined by the % of gold in each item.

You choose to turn it into CASH or just walk away.

Debby had a Gold Party at her home a week ago and her friends were shocked to make money on items they thought were worthless! It was also a lot of fun!!

If you have interest in making money this way on your trip to the West Coast, please send us an email : diventenis@aol.com re:Gold Party in the subject line
